

## **Yankee Wood Chapter**

## Description:

The National Woodie Club exists to promote interest in woodies; to educate owners and the public on their history, beauty, usefulness and uniqueness; and to provide an association through which woodie owners and enthusiasts may exchange information on history, building, restoration or modification techniques and share experiences. The woodie is a special kind of car, which deserves special recognition. The National Woodie Club will work toward that goal.

Address Line 1: 45 Terrace Dr.
