

Model T Ford Club of America

Description:

The Model T Ford Club of America was organized in late 1965 for the purpose of bringing together people who are interested in the Model T Ford, its history, its evolution, and its place in the American scene. The Model T Ford Club of America is the largest Model T club in the world. Over one hundred chapters have been formed in the United States, Canada, Argentina, Australia, and Europe, providing activities and fellowship for Model T enthusiasts on the local level.

The design goal of this site is to make this a dynamic, interesting and easy-to-use web experience for all Model T owners and people who enjoy the Model T hobby worldwide.
