

Studebaker Drivers Club

Description:

The purpose of the Studebaker Drivers Club (SDC) was, and continues to be, to honor the Studebaker automobile and all of the Studebaker-related products. The SDC sponsors an annual International Meet where Studebaker owners from across North America bring their Studebakers and families for a week of fun, showing their vehicles, sharing information and memories, and even participate in concours judging. The SDC International Meets are hosted by a local SDC chapter and held in various locations.
