

Twin City Cruisers Car Club

Description:

The Twin City Cruisers car club was formed in early 1992. The premise of the club is the restoration, preservation, and enjoyment of antique, classic, and special interest vehicles. The club is organized as a non-profit corporation under the State of Illinois. We seek to foster both enjoyment and education of the general public on the car collecting hobby via club sponsored events and activities. We also desire to promote a safe , respectable image of the old car hobby through quality activities and a quality membership. We currently have many active members, the majority of which live in the Bloomington-Normal area.
