Hudson-Essex-Terraplane Club **(Chicago-Milwaukee Chapter)**

Description:

The Chicago-Milwaukee Chapter is a chapter of the Hudson-Essex-Terraplane Club, Inc., a non-profit organization dedicated to preserving and enjoying the great cars built by Hudson.

We accept all Hudson cars from 1909 to 1957 and we believe in driving and enjoying our cars. The Chicago-Milwaukee Chapter is a family oriented club that accepts all ages of Hudson enthusiasts. Ownership of a Hudson automobile is not a requirement for membership. The Chicago-Milwaukee Chapter is a social club for anyone with a common interest in Hudson automobiles.

The Hudson-Essex-Terraplane Club or HET is recognized as one of the most friendly car clubs one can join. We don't judge each other's cars or give out trophies.
