

Mid America Corvette Club

Description:

Incorporated in 1996, the Mid-America Corvette Club, or MACC, is a nonprofit organization with the goal of bringing together Corvette owners in the greater Kansas City area for the purposes of enjoying their favorite automobile and encouraging responsible and skillful driving on public highways. MACC offers owners a variety of means for having fun with their Corvette including competition, charity fund raising, and social events.

The National Council of Corvette Clubs, or NCCC, is the sanctioning body of MACC. In fact, MACC is a 100% NCCC membership club, meaning that all members of MACC are members of NCCC. NCCC provides liability insurance for all club events. The NCCC competition program includes opportunities for autocross racing, drag racing, rallies, and car shows. MACC competes in the West Region of NCCC, which includes approximately 25 Corvette Clubs in Kansas, Missouri, Nebraska, Iowa, North Dakota, and South Dakota. At the end of every year, MACC donates a portion of its treasury, accrued from proceeds of club events throughout the year, to deserving charities.
