

Big Country Corvette Club

Description:

The Big Country Corvette Club is made up of a bunch of Corvette enthusiasts from the Big Country area of West Texas... mostly Abilene, Texas.

We normally meet at the First Financial Bank building parking lot on Buffalo Gap Road every Saturday night at 6pm, then we usually cruise somewhere to eat supper and have a good time together. See the "Where We Meet" map for directions.

Click the "This week" button to the left for more detail regarding the plans for this week.

If you have a Corvette or just like Corvettes, you are welcome to come join the fun any time.
