

The Rodfathers

Description:

The Rodfathers is a group of gals and guys that own pre-1973 American made cars. We like to cruise our cars on weekends, go to car shows and events and get together with other street rodders.

We can be found most Fridays at BOB'S BIG BOY at 8876 CORBIN AVE. in NORTHRIDGE in the San Fernando Valley or at Bob's in Toluca Lake. We also meet on Wednesday and Saturday nights at local establishments for food and fun. Check the Dates/events section of this site for current locations. In keeping with the original mission statement which is: We are a unique group of hot rodders. The RODFATHERS IS A NON-CLUB. We have no officers, no dues, no meetings, no obligations, no duties and NO POLITICS. All we care about is having a good time with our cars and each other.
