

North Valley Volks Club

Description:

The North Valley Volks Club welcomes folks with all models and years of VWs, both air and water-cooled, from daily drivers to under construction and rust-buckets to show cars. We just want to have fun, support each other's VW projects and share experiences, expertise and camaraderie.

The club started in 2005 in Chico, California. Membership includes families and singles of all ages. We encourage VW owners and enthusiasts to attend our events to see what we're all about.

Each month, members meet for a social evening, as well as a day or over-night event. Activities include picnics/potlucks, workshops, cruises, tours, camp-overs, trips to car shows and many other events.
