

Western Pennsylvania Triumph Association

Description:

Welcome, we are the Western Pennsylvania Triumph Association; a club dedicated the preservation, restoration, and enjoyment of all Triumph Sports Cars. Thanks for stopping by our web site. You are invited to view all our public pages to get a flavor for our club and our membership, and if you are interested, a downloadable membership application is available. First however, let me give you some background on the WPTA, who we are, and what we do.

It started in September of 1977 with founding members Ed Woods and Ed Major placing a simple ad in the Pittsburgh Press newspaper looking for people interested in sharing their enthusiasm for Triumph TR2 and TR3 Sports Cars. From that simple beginning, the club has grown to over 200 members, translating into over 300 cars, since many members can't own just one Triumph. We welcome all Triumph models from the earliest roadster to the last TR8.

Address Line 1: 105 Hawk Drive

Country: USA

State: Pennsylvania

City: Glenshaw

Zip: 15116
