

Desert Cruisers Car Club of Imperial Valley So Cal

Description:

Ralph Vargas formed this car club of friends, a Non-for-Profit organization February 2010 to have friends and car enthusiasts get together and enjoy ourselves with our toys at events and cruises. That passion for Classic cars and desire to be part of a cool car club pushed Ralph toward the creation of "The Desert Cruisers Car Club of Imperial Valley". Our Club is open to all years and types of cars or bikes. As a Car Club we participate and support all charitable organizations in our community as well as holiday Parades, "Freedom Fest", 4th of July Celebration at IVC and other community events throughout our Imperial Valley.

We support the American Cancer Society Annual El Centro Relay for Life 24-Hour walk and have an annual car show as a fundraiser for this event.
