

Venice Florida Corvettes

Description:

Venice Florida Corvettes was formed to promote good fellowship among Corvette owners and enthusiasts. We have over 140 family members from Venice and the surrounding areas. Our general meeting is the first Tuesday of each month and is normally held at the Venice Community Center at 7 p.m. See About Us on our web site for up to date information. Guests and potential new members are always welcome.

Our club has a goal to attend at least one car related event and have one social event each month. We try to have a variety of events to reflect the interests of the club members. Look at our Up Coming Events to see what we are planning.

Each year we host our Corvette only car show in downtown Venice Florida. The show draws 100's of cars from all of Florida and beyond. Its great fun for the participants and our club members.

Check out our web site and consider joining us at an event or attend a meeting.
