

## **Valley Corvettes, Inc.**

### **Description:**

Valley Corvettes is an organization of Corvette enthusiasts located in Boise, Idaho and the surrounding area. It was founded by a group of people who enjoy and are passionate about Corvettes, America's only true sports car. The purpose of our Club is to encourage planned events and activities so its members can come together and achieve the full enjoyment of their Corvettes, plus have fun with fellow Corvette enthusiasts. During the year there will be many activities, including cruises, poker rallies, picnics, parades, bracket racing (Firebird Club Challenges), and other "to be announced" events.

Valley Corvettes also sponsors one of the largest and most respected Corvette gatherings in the Northwest. This event, called "Vette Fest", is three fun-filled days of racing, shows, tours, and socializing.

Valley Corvettes does significant charity work. We have raised more than \$500,000 for various national and local Idaho charities.
