

Hudson-Essex-Terraplane Club (New England Chapter)

Description:

The New England Chapter of the Hudson Essex Terraplane Club was formed in 1971 to promote the preservation and restoration of cars built by Hudson Motor Car Company. The club serves Hudson lovers from not only the six states of New England (Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont) but many other states as well (including some members in Canada).

Whether you have a Hudson or not, the New England Chapter would like to extend a warm invitation to join our club. If you live in New England and have an appreciation for Hudson, Essex, or Terraplane automobiles, we'd love for you to become part of our family.
