

Sam Houston Corvette Club

Description:

Thank you for expressing interest in the Sam Houston Corvette Club, Inc., proudly sponsored by Munday-Chevrolet. We are a relatively young club, founded June 6, 1993. Our membership averages 165 families with over 200 Corvettes. We are a growing club and a busy club as well. Our events offer something for everyone whether you like showing, racing, road trips, or socializing with terrific people!!

The only requirements for membership in the club are that you own a Corvette, pay your annual dues, and love to have fun. Currently membership includes cars from 1953 through 2011. Our members hold a vast amount of knowledge about each model. You will find a helpful network for buying, selling, trading, maintaining, or repairing your Corvette. Our monthly newsletter, The Corvetter, is a rich source of information about club events, people, advertising, and even club humor.

Each year the Sam Houston Corvette Club (SHCC) sponsors the famed "Wildflower Caravan" through the Hill Country of Texas. This fun road trip averages 50 Corvettes winding their way through some of the most beautiful scenery in Texas. The SHCC holds a Spring and Fall Vette Show drawing 80+ Corvettes. The club also has several spaces at the O'Reilly Autorama and the Corvette and Chevy Expo for those serious car show enthusiasts. Lastly, we can't forget the club socials held throughout the year. The SHCC Christmas party can't be beat as well as the Halloween, July 4th and several other events.

So, no matter what your reason, the SHCC is the Corvette club for you. Feel free to come to our monthly club meeting or even attend an upcoming event to see if the SHCC is for you. I am sure you will agree that it is the best Corvette club in Houston.

If you have any questions please give us a call. We look forward to seeing you at our next meeting/event/social.
