San Diego Woodies

Description:

San Diego Woodies was formed in 2001 as a chapter of the National Woodie Club. We exist to promote interest in woodies; to educate owners and the public on their history, beauty, usefulness and uniqueness; and to provide an association through which woodie owners and enthusiasts may exchange information on history, building, restoration or modification techniques and share experiences. The woodie is a special kind of car, which deserves special recognition.
