NASCO SPECIAL ACCESSORIES

With NASCO Power Brakes fitted to your car, you'll drive more confidently, and with a NASCO Car Heater you'll increase the enjoyment of driving your new Holden even on the coldest winter's day. You'll be glad you added these two special NASCO Accessories to your new Holden.

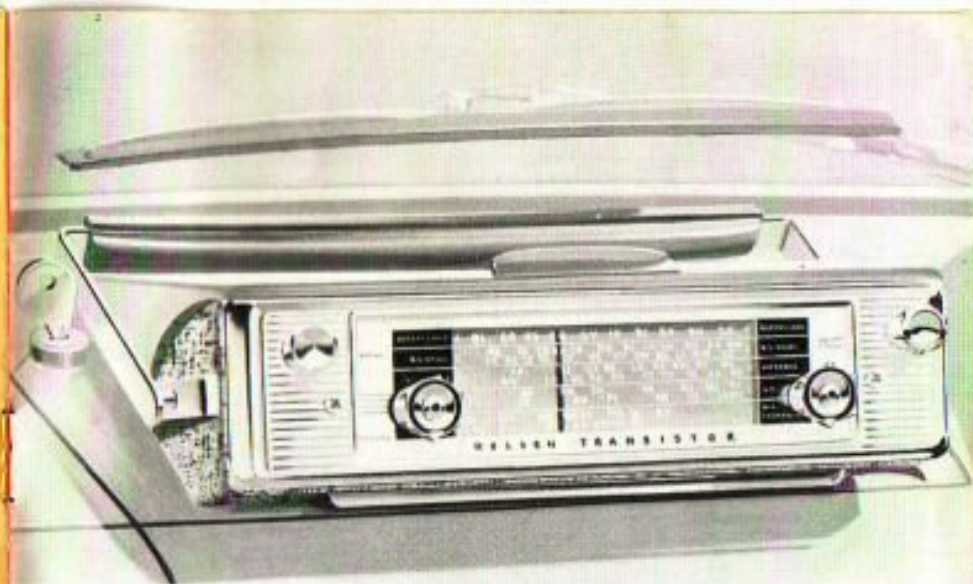

NASCO POWER BRAKES

Vacuum-boosted brakes make stopping more positive, quicker and easier. In any emergency, a light touch of the toe immediately brings the car to a safe stop. NASCO Power Brakes give added braking power because they do all the hard work for you. Just a soft push on the brake pedal and NASCO Power Brakes come into operation with a smooth "silky" feel, to ensure immediate, natural brake control — without over braking or lock-wheel stops!

NASCO CAR HEATERS

Fit a NASCO Car Heater and driving is always comfortable. You'll have clear vision from all windows, too. The warm, clean air circulated through your car and onto the glass by a NASCO Car Heater prevents fogging. You can choose your Warmaride Car Heater from these two models. Both are proved for reliability and backed by GMH.

1. De Luxe fresh-air type, complete with demister and booster fan.
2. Economically priced motorless type, with provision for demister package.

FIT AN **AIR CHIEF** CAR RADIO
